

REMARKS

The claims in the application remain 1-20.

The present amendment makes a minor clarification to the Examiner's Amendment of Claim 17 accompanying the Notice of Allowance mailed April 10, 2008 in the above-identified application, namely removes confusing recitation of "two" computer programs and recites just one computer program directly loaded into the internal memory of the computer. Therefore, the present amendment merely corrects formal matters without changing the scope of any claim.

Early favorable action is earnestly solicited.

Respectfully submitted,

George M. Kaplan
